about us

ZERA Elevator Technologies; Our company took its place in elevator installation sector in 1996. in 2012 we stopped installation business and stepped into production sector as a button manufacturer. According to the changing and developing sectoral trends and with a customer focused production mentality, our company serves all the elevator sector with a large variety of button models today. Our buttons are produced with a high level of aesthetic according to the regulations at our factory in Istanbul. Our company responds to the customer demands with its corporate approach and places a high value to inner and outer communication. Our purpose is to be a leading company in the sector and help our clients to catch the developments in products. To add value in each project as ZERA ELEVATOR TECHNOLOGIES is the main motivation of our company. Our company fastened its studies for our clients abroad at the last 5 years to become a global partner with its products at world quality level. Customer satisfaction is our main goal in this vision. We work harder every day to maintain this goal with right product at the right time, with a sustainable process and higher capacity. We will be glad to see you as a part of this organization.

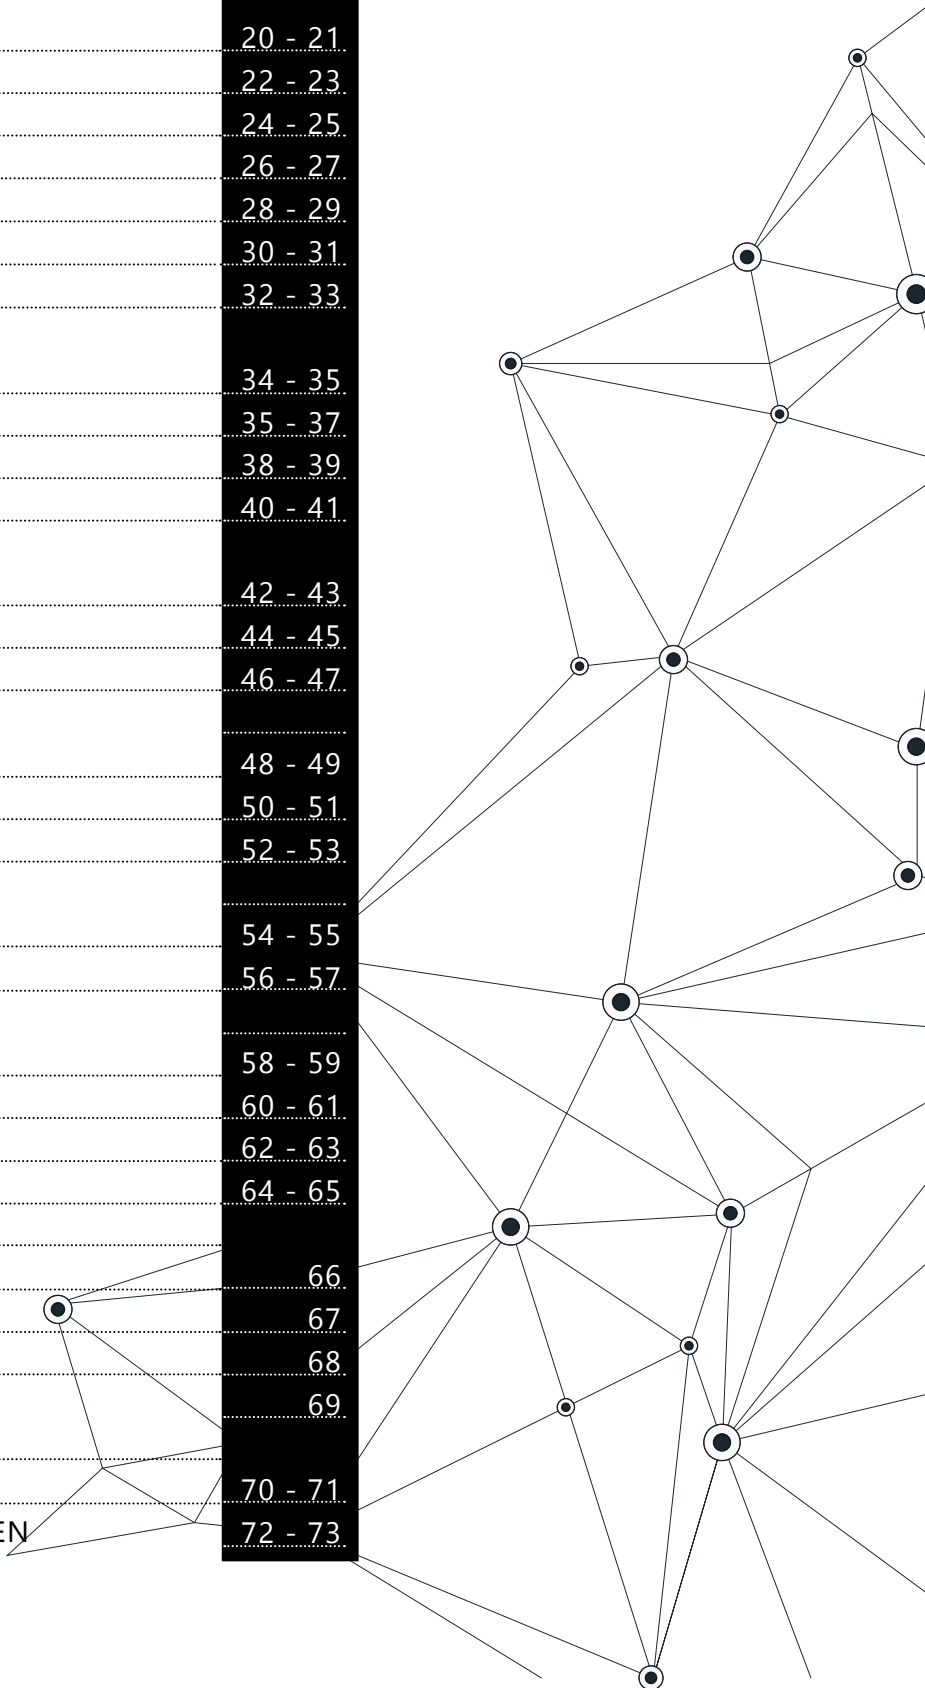

hakkımızda

ZERA Asansör Teknolojileri; Sektöre 1996 yılında asansör montajı ile başlayan firmamız, 2012 yılında montaj yapmayı bırakıp buton imalatına başlamıştır. Değişen ve gelişen trendlere uygun olarak, müşteri odaklı bir anlayışla sürekli gelişerek günümüze kadar gelen firmamız, bugün tüm sektörün ihtiyacına yönelik imalat yapmaktadır. Butonlarımız, maksimum estetik özellikleri ve yönetmeliklere uygun olarak İstanbul fabrikamızda üretilmektedir. Firmamız; kurumsal yaklaşımı ile gerek şirket içi gerek şirket dışı iletişime maksimum önemi vererek talepleri karşılamaktadır. Amacımız, sektörde öncü olmak ve müşterilerimizin sektördeki gelişmeleri yakalayacakları şekilde hizmet vermektir. Her projede Zera Asanör olarak yapılan işe değer katmak, firmamızın ana motivasyon kaynağıdır. Son 5 yılda ihracat çalışmalarına da önem veren firmamız, dünya standartlarında üretimi ile global bir marka olmayı hedeflemektedir. Müşteri memnuniyeti, bu hedef doğrultusunda ana prensibimizdir. Doğru ürünü zamanında teslim edecek kurumsal altyapıyı ile çalışan firmamız; bu yapıyı sürekliliği devam ettirerek daha yüksek kapasitelerde sağlayabilmek için hergün daha fazla çalışmakta ve yatırım yapmaktadır. Sizi de bu yapının bir parçası olarak görmekten mutluluk duyarız.
